"And the final score is Clemson 38 and UNC-A 27". This was the type of season the Bulldogs had. A team who can hold an ACC team to 38 points is really a good group. The year was full of ups and downs but the outcome shows that the 1979-1980 Mens Basketball team was an exceptional group. Throughout the season the men worked together and practiced hard and proved that UNC-A was a Winner. Although the team loses three seniors, next year should also be great.

The Lady Bulldogs had a building season this year with only four women returning from the 78-79 season. After some recruiting, next year is looking fantastic. Myra Sims is the only Lady Bulldog not returning next year. Although her leadership and abilities will be missed, the team has very big prospects with the returning group. The team received the honor of having sophomore, Phyllis Payne nominated as Western North Carolina Collegent Women's Athlete of the year.

BULLDOG SOCCER

This years soccer team came away with a very impressive season for a young squad. Although it was not a winning season, all the games were close and very intent. After a slow beginning and some very tough opponents, the team has begun looking to a new season.
